To Advertisers.—The VERMONT DAILY TRAN-
SCRIPT has the largest circulation in St. Albans
and Franklin County, of any daily paper, and
on that account, if no other, the best medium
for advertising.

Local Items.

Interesting matter, original or se-
cured, may always be found on the first
page.

OUR DAILY.—Those wishing to secure
copies of our daily paper can do so at
Terrill's and Baker's bookstores, as
well as of carriers, and at the office,
copies of our weekly paper may also be
had at these places.

The deal "hoss" has been removed,
much to the joy of frequenters of Lake
street.

RICHMOND MARKET.—Sept. 18, 250
lbs butter, prices at 38 and 48; 600 boxes
cheese at 13 and 15c.

THIEF BOUND OVER.—Edward Ames,
of Berkshire mentioned by us yester-
day as having been arrested for stealing
watch from Mr. Wm. R. Robinson of
the Foundry, had his hearing to-day
(Thursday) before Justice Sherman, at
the Office of Bailey, Davis & Adams,
and was held to bail in the sum of \$100,
or appearance at the County court, and
or want of bondsmen was committed to
jail. The watch was valued at about
\$30. The bonds were light, no doubt on
account of the age of the respondent
who is only 17 years of age. Though
young in years it will prove a hard les-
son to the lad.

MASONIC.—The Grand Chapter of Roy-
al Arch Masons of this State will meet
at Brandon on Wednesday, Oct. 7th, at
9 o'clock a.m.

The Grand Council of Royal and Se-
lected Masons will meet at the same place
on the succeeding day. The several
railroads in the State will carry persons
attending the meetings of these grand
bodies for fare one way.

OFFICERS OF THE LEGISLATURE.—It
seems to be generally understood that
Hon. George W. Grandey will be the
next Speaker of the House of Repre-
sentatives. Certain it is, he is a model
Speaker, and has equalled as a presiding
officer, so far as our knowledge extends,
in the State. He despatches business
with great rapidity, is courteous, and
thoroughly understands parliamentary
tactics.

Mr. John H. Flagg, of Bennington,
who has been clerk for several years
past, will be re-elected without opposi-
tion. Mr. Flagg makes a capital clerk,
conducting the business of his Depart-
ment more systematically than has been
done under previous administrations.
The people may be sure that, with two
such officers of the House as Messrs.
Grandey and Flagg, business will be
transacted well and promptly.

Henry Clark, Esq., the able editor of
the Rutland Herald, will be unani-
mously elected Secretary of the Senate
—a position which he has well filled for
some time, and to the entire satisfaction
of all with whom he has come in con-
tact.

BOGUS AGENTS.—Two Jews, giving
their names as L. H. & C. R. Leon,
boasters, and representing themselves
to be agents for the well-known business
house of L. & J. L. Phillips, of New
York city, were arrested about noon to-
day (Thursday), on the road to High-
gate, by Officers Failey and Downing.
The imposters arrived in town on Tues-
day evening, and took lodgings at the
American Hotel. This forenoon they
called on Messrs. S. S. & J. A. Bedard,
who were well acquainted with the
Messrs. Phillips, and had transacted
considerable business with them, and
represented themselves to belong to the
firm of Leon Brothers, of New York,
were the business agents of the Messrs.
Phillips, and were engaged in purchas-
ing furs for them in Montreal. Working
them into the confidence of the
Messrs. Bedard, they procured their
endorsement to a draft for \$50, presented
it at the First National Bank, and re-
ceived their money. They pretended
to be on their way from Montreal, where
they had been purchasing furs, to New
York, and were intending to leave on
the noon train to-day. The Messrs.
Bedard ascertained that instead of pur-
chasing their tickets for New York they
had purchased tickets for Montreal, but
no train leaves here for Montreal be-
fore evening, they started overland on
foot. The Bedards also ascertained that
the blank used for the draft had been
obtained this morning at Wheeler & Baileys.
Enough was known to satisfy them that they had been imposed
upon, and they soon after the Jews had
left, as possible, procured the services
of Early and Dowling, who overtook
and captured them on the highway to
Canada, about four miles out of town.
The fellows were footed it for dear life
through the mud towards the Polar
Star at the time they were overhauled.
They were well dressed, and were easily
traced by their white-stove-pipe hats.
They were returned to St. Albans, where
they arranged the matter with the Bedards
by forking over \$30 in greenbacks,
a merrimac pipe, and coat toward the
sum of \$80, which the draft amounted to.
In currency—the draft was made pay-
able in gold.

The bogus agents were then released
from custody, but were immediately re-
arrested and brought before Justice Sherman
in behalf of the State, upon
complaint made against them for ob-
taining money under false pretences.
The case was continued, and the re-
spondents were ordered to find bail in the
sum of \$500 for their appearance on Sat-
urday, and in default were remanded to
jail—hearing at the office of Bailey,
Davis & Adams.

NEW YORK, July 1st, 1868.

DR. SIR.—In your paper of last
week you or one of your correspondents say
that Dr. Drake is not the originator
of the celebrated PLANTATION BUTTERS,
and that they were mainly secured and
sold by one Pedro Mottez, an old
soldier, in the island of St. Thomas,
over forty years ago, as every old sea
captain can testify. Now, sir, I can cer-
tainly give the above as being true, for I
have followed the sea for over forty years
most of the time doing business with the
West Indies. The same Butters differ-
ently put up and named, were brought to my notice on my first trip to
the island of St. Croix, for a cargo of rum,
and for years and years after, my
ship's stores were never without them.
I always supplied my family and many
of my neighbors with them, and can truly say a better Butter and Tonic is
not made in all the world.

MAGNOLIA WATER.—Superior to the
best imported German Cologne, and
sold at half the price.

BURLINGTON BUSINESS COLLEGE.—
The fall term of this College will open
October 5th, and continue in session during
the year. Our readers will remember
that this institution is to be a
consolidation of the Bryant and Stratton
College at Burlington and the Vermont
Commercial College at St. Albans, under
the instruction of J. H. Lansley as
proprietor. The new college will open
with excellent facilities for young men
and young ladies to gain a thorough
business education. The rooms are
being refitted and renovated, with a view
to comfort and convenience. Prof. S.
M. Pratt, of the St. Albans College will
one of the instructors.
